THE HEC DIFFERENCE

WHY THE HEC PARIS MASTER IN MANAGEMENT?

Our Master in Management is a gateway to a thriving international career in business, whatever path you wish to pursue. You can tailor the program to suit your needs, while receiving an outstanding training in management. Our unique dual-phase curriculum and countless connections with top companies and industry influencers provide you with an ironclad competitive advantage in the marketplace, while offering an international community to make life-long friends.

GET THE BEST TRAINING IN MANAGEMENT

The HEC Paris Master in Management consistently tops global rankings, rated the no.2 Master in Management worldwide by the Financial Times for the last 8 years.

CONNECT THE CLASSROOM WITH THE REAL WORLD

Our program bridges the gap between theory and practice. Thanks to world-class practitioners, real-life case studies and competitive internships, you'll be ready to hit the ground running upon graduation.

TAILOR YOUR DEGREE TO YOUR NEEDS

No two paths are the same. You can customize the program to suit your own objectives, choosing from 20 specializations, 20 double degree programs, a tremendous range of electives, and the option to take a gap year.

FIND YOUR PURPOSE, MAKE AN IMPACT

We're here to help you find your calling. That's why, through courses, challenges, and events, we'll teach you how to leverage your potential to have a meaningful impact on the world – whatever that means for you.

OPEN DOORS TO TOP CAREERS

With countless career fairs, corporate connections (e.g. with the big 4) and personalized career coaching, 98% of our students find a job within 3 months after graduation, while receiving an average salary of €107,000 after three years.

JOIN A POWERFUL ALUMNI NETWORK

Our global network of 70,000+ graduates is there for you – whether for a professional introduction, a coffee with a friendly face in a new city, or a simple LinkedIn connection.

We believe that learning is strongest when both **in the classroom and on the ground**. You will receive an exceptional education in management throughout the program, ran by **field-leading academics** from the world's top universities. Pushing the boundaries of knowledge, our teaching is constantly informed by our faculty's world-class research.

Thanks to international internship opportunities and courses created by industry practitioners, you will also have a **hands-on approach to your field**. Opportunities to work with companies on real-life consultancy projects and case studies, such as with EDF, L'Oréal Paris, Procter & Gamble, PwC, Roland Berger, TBWA, etc., are abundant.

OPTIONAL GAP YEAR

Between your first and second year, you will have the option to take a gap year to enrich your CV with some hands-on experience. By discovering the reality of a field of your choice (finance, marketing, consulting, etc.), you'll discover more about your aspirations and the path you would like to take. Our HEC Talents and plentiful business connections will help you to land the internship of your dreams.

SPECIALIZATION : INTERNATIONAL BUSINESS

HEC-CEMS MASTER IN INTERNATIONAL MANAGEMENT

Founded in 1988, with HEC Paris as one of the 4 founding members, CEMS is a global alliance between 34 world-class schools, 74 world-renowned corporate partners and 8 NGOs.

How does it work?

After your M1 year at HEC Paris, you can spend one semester at HEC Paris and the other in a fellow CEMS member school. The joint degree equips you with a unique, horizon-broadening training in business and an acute intercultural sensitivity.

EXCHANGE PROGRAMS

We also offer an exchange program **with top US MBA's** such as Duke, Cornell, Michigan Ross, Babson..., as well as exchange opportunities in Latin America, China, Japan and India.

CERTIFICATES

HEC Paris Certificates are integrative courses that offer over 100 contact hours on real business projects and field work. Top experts from the professional world are deeply involved in shaping and managing the program, providing you with a deeper insight into how successful businesses are run.

In today's world, understanding data is essential for all kinds of managers. In partnership with Ecole Polytechnique, the Data for Management certificate provides you with the knowledge and tools you need to effectively harness data in your day-to-day.

HEC Paris's Mergers and Acquisitions Certificate offers an unprecedented level of knowledge through a multidisciplinary study of M&A. It equips students for their first jobs out of the gate, whether they work directly in the field, or are inevitably affected by M&A in their careers.

Our new certificate in digital transformation aims at equipping the consultants and managers of the digital economy. Digital challenges are explored through immersion thanks to our close relationships with large leading companies, including key consulting companies.

Energy plays a major role in today's world economy. Individuals working in this field have the potential to be powerful contributors to the current industrial revolution. The Energy and Finance Certificate will benefit students interested in the economics of energy, energy-related financial issues and climate change.

ENGAGEMENT AND COMMITMENT TOWARDS SOCIETY INSPIRING EXCELLENCE

 LVMH Work on real business projects that effect the bottom line. The Excellence in Client Experience Certificate allows students the opportunity to solve real business-critical problems within one of LVMH's houses and deliver them as a team to a final jury.

DIGITAL ENTREPRENEURSHIP

This certificate focuses on the entrepreneurial opportunities that can be maximized through digital disruption. Thanks to the involvement of successful entrepreneurs, managers and companies, students will acquire a 360° vision of the digital sphere as they look at e-business through a disruptive lens.

HEC Paris and Kering combine their expertise within HEC's Luxury Certificate. Students will become familiar with the culture of luxury and the levels of creativity and innovation it demands. Experience real luxury-business life through seminars, workshops and consulting on a Kering brand case.

 The Inclusive & Social Business Certificate inspires and trains the next generation of managers, aware of societal challenges and aspiring to be part of the solution, regardless of their professional activity.

CLIMATE & BUSINESS

The Climate & Business certificate prepares students for navigating the complexities of climate change and the transition towards net zero greenhouse gas (GHG) emissions from a business and societal perspective.

COUNTLESS CAREER FAIRS

With hundreds of companies setting foot on campus all year round, you will have innumerable opportunities to meet the businesses that pique your interest; whether it's for an internship interview, a job post-graduation, or a simple LinkedIn connection.

CAMPUS LIFE

HEC Paris has **one of the largest campuses in Europe**. Our academic, leisure and sports facilities offer students and staff the holistic life you would expect from a world-class institution. Our location and setting also offer the perfect balance between the rural and urban worlds.

The 340-acre wooded campus is not only close to Paris and Versailles by train, but also a short drive to La Défense, the biggest business district in Europe where many multinational companies have set up their headquarters.

CLUBS AND ASSOCIATIONS

We consider **on-campus community** and associative life to be one of the cornerstones of education. In many ways, it is an extension of the classroom experience.

It will encourage you to develop a sense of responsibility, as well as to nurture a bold and creative mind. There are as many **clubs** and **associations** as there are nationalities on our campus; well over 100. The diversity and vibrancy of our clubs are truly astonishing, covering sports, culture, environmental activities, advocacy politics, and public affairs, as well as many different student populations.

KEY FACTS

340 acres

2,000 students living on campus

111 nationalities represented

1,500 rooms

130 clubs and associations

6 restaurants, cafe & bars

SPORTS AND FITNESS

We provide excellent on-campus indoor and outdoor sporting facilities.

These include:

- **A multipurpose gym (1,600 m²)**, an indoor mountain climbing wall, a weight training room, a fitness/cardio-training room and facilities for aerobics, boxing and martial arts.
- **10,000 m² of outdoor fields** including tennis courts, an athletics track, three grass rugby/football fields, one all-weather football field, and one street basketball/football court.
- **Many sporting events** throughout the year, including men and women Fight Club tournaments, national students rugby championships, the HEC Paris tennis clay court competition held at Monte Carlo.

FACILITIES

Featuring cutting-edge interactive learning spaces, our facilities have been specifically designed to enhance project-based learning and group work. You will also have a diverse array of services at your disposal; you can perfect your French at the Language Resource Center, or even embark on a personalized career development program at the HEC Talents.

24/7 state-of-the-art library

In 2017, HEC Paris became only the second educational institution in France to open its state-of-the-art library seven days a week, 24 hours a day. It provides readers both on and off campus access to over 80 databases covering all the disciplines taught at HEC Paris as well as 10,000 different journals, magazines and academic reviews.

On-site, you can consult and borrow course books, professional theses or works of general culture from over 50,000 documents. The space provides enough seating for 250 people, with 20 network computers, one creative workshop room, one lab, one video conference room and three study rooms allocated to group work.

Lifestyle

The campus hosts six restaurants and bars for students and staff alike. Our facilities are surrounded by the lush beauty of its woods, two lakes and numerous sporting fields. There is also a printing shop, health clinic, and ecumenical center.
